

# Quietly Making Noise, LLC

*Acoustical Consulting and Noise Control*

---

## COMMERCIAL – Sample List of Projects

### *Hospitality and Recreational*

**San Marco Resort, Lake Buena Vista, Florida** – High rise condominium hotel resort. Acoustical evaluation of design.

**Cape Caribe Resort, Cape Canaveral, Florida** – Mid-rise hotel condominium. Acoustical testing of lockout partition. Design of upgrades.

**Village of Imagine, Orlando, Florida** – Acoustical evaluation of piano bar noise transmission to adjacent residential and retail spaces.

**Heathrow Country Club, Heathrow, Florida** – Acoustical testing of existing tennis facility to support design of future facility.

**The Stanbury Prospect Park, Alpharetta, Georgia** – Condominium hotel resort. Acoustical evaluation of design.

**Hotel Talavera, San Antonio, Texas** – Condominium hotel resort. Acoustical evaluation of design.

**Ruth's Chris Steakhouse, Multiple Locations** – Acoustical evaluation of design. Design of noise control measures for reverberation and exterior noise sources.

**Marriott Courtyard, Cocoa Beach, Florida** – Acoustical testing of HVAC systems in new conference room. Design of noise mitigation measures, resulting in a reduction of 17 decibels.

**Nickelodeon Hotel, Lake Buena Vista, Florida** – Acoustical evaluation of reverberation (echo) in lobby. Designed solution and specified materials for retrofit.

**Stevie Tomato's Sports Page, North Port, Florida** – Restaurant / sports bar. Acoustical evaluation of design. Design of noise mitigation for outdoor bar with residences 100 feet away.

**Candlewood Suites Hotel, Lake Mary, Florida** – Acoustical evaluation of traffic noise impacts. Design of noise mitigation measures.

**Thriller Power Boats, Ft. Pierce, Florida** – Acoustical testing of 55-seat power boat.
